Dear Tom:

Enclosed is a copy of an article ("Architect Finds City Hall In 'Restorable Condition'") by Ray Rinaldi that was published in The Scranton Tribune of Wednesday, March 3, 1982, p. 6. In paragraph two of that article, Rinaldi states that you volunteered your services to the Committee. I do not know where or how Rinaldi learned that fact. I am confident he did not learn that information from a member of the Committee. Please accept my apologies and the apologies of the Committee for Rinaldi's having stated that you volunteered your services to the Committee. I hope that no embarrassing situations with your clients will result as a consequence of Rinaldi's article.

Your "Field Investigation Report & Preliminary Recommendations" of February 6, 1982 on Carbondale City Hall have generated much interest in the restoration effort in Carbondale. We look forward to your attending the meeting of the Committee on March 18, 1982, at 7:30 P.M. in Council Chambers on the second floor of Carbondale City Hall.

Sincerely yours,

S. Robert Powell
